

# CREATIVE PATHWAYS INCORPORATED

FABRICATION OF COMPLEX TUBULAR SYSTEMS

March 27, 2024 – QMS Desktop

Re: Capabilities, Facilities, General, HR, Controlled Special Processes, and QMS info.

To: Potential / Returning Clients

Creative Pathways, Inc. (CPI) is pleased to announce its partnership with Tube Bending Technologies and new owner / CEO, Brent Daldo. Following 55 years under the original ownership it was time to further expand our capabilities and potentials, and this was the best way by far to ensure ongoing success moving forward during challenging times.

As a manufacturer of precision tube / duct assemblies for aerospace and other industries, CPI specializes in CNC machining, tube bending, welding, and (2) NDT process methods. Other capabilities include tool fabrication, pressure/leak testing, assembly, and inspection.

Our late founder, Rod Rohrberg, was the inventor of Orbital tube welding, and Micro-Fit fittings. CPI's quality management system is third-party accredited ISO 9001:2015, and AS9100D. See PRI Registrar Certificate No. 17019. Please visit our website @ [www.creativepathways.com](http://www.creativepathways.com).

Founded 1969: DUNS 50793702, CAGE 1T775, SIC 3499, NAICS 332999, Tax ID 95-266-5661. Nadcap (PRI) Certifications: Fusion Welding (TIG and Orbital Welding) PRI Cert No. 5510216034; NDT: Radiographic Inspection (RT) / Computerized Radiography (CR); Penetrant Testing (PT) / Fluorescent Penetrant Inspection (FPI) PRI Cert No. 5510229177. Boeing DPD / MBD approved. New state-of-the-art – Hexagon CMM (Global S Green 9158) Inspection Lab added in 2023. External processes are subcontracted to customer approved sources. CPI is ITAR registered.

Leadership: Tim Rohrberg, President / Welding Subject Matter Expert; Patricia Rohrberg, Chief of Operations; Curtis Leonard, ME / Quality Planner; Dylan Crowley ME / Quality; Anthony Flores, Operations Manager; and John Wiemken, Quality Manager. Our documented QMS processes and policies (general, counterfeit, FOD, 3TG, safety, etc.) are world class and second to none!

Customers served: Aerojet, Aero-Hose, Aero-Fluid (Dukes), Barber Nichols, Bell, Boeing, Blue Origin, Cobham, Collins, Davis, General Atomics, GE Aviation, Honeywell, Incora, LMI, Lockheed, Marvin, Meggit, Millennium, National Security Campus (Hon FM&T), Northrop, Pacific Contours, PCX Aero, Raytheon, SNC, Talsco, Trio, Triumph, Tuffer, ULA, Versum EMD, and Wesco.

On-site visits: welcomed by clients and their associates for inspection of products, evaluation and review of engineering requirements, controlled processes, records; and audits (all as applicable). Facility: ITAR Registration # M32889; (1) Tilt-up building = 30,000 sq. feet in one location. HR: Total employees: 44; QA / Inspection: 8; Production: 24; Admin: 10; Shifts: 1+

If additional info is needed, feel free to contact me directly by e-mail at [johnw@creativepathways.com](mailto:johnw@creativepathways.com) or any one of our team members by phone or email. Thank you for the opportunity to serve you!

John Wiemken  
Quality Manager
